Who are the Friends?

The Friends of the Provincial Archives of Alberta Society is an incorporated, non-profit organization created in 1991 to support the ongoing work of the Provincial Archives of Alberta by:

- Assisting the Provincial Archives in acquiring, preserving and making its collections accessible
- Fostering an awareness and appreciation of the Provincial Archives and the documentary heritage it preserves
- Promoting and supporting programs and services at the Provincial Archives

In cooperation with the Provincial Archives, the Friends of the Provincial Archives of Alberta Society accesses community resources and raises funds for the benefit of the Archives and its clients by operating casinos, assisting with the production of publications and educational resources, providing student employment opportunities at the Archives, and seeking government grants for specific archival projects.

More information about the Society is available on our webpage: www.FriendsPAA.ca

Consider giving of your time and talent to the Friends. Historians, genealogists, student archivists, and everyone who knows that archives matter will thank you for helping to make documents of the Alberta's history accessible to present and future generations.
