

CIRCULAR.

Department of the Secretary of State.

Ottawa, 31st August, 1903.

No. 775

Sir,

I am directed to transmit, herewith, for your information, a copy of the Act passed at the present session of Parliament amending the Acts relating to naturalization and aliens, together with a copy of the tariff of fees made by the Governor in Council, for guidance in the preparation of your account in connection with the transmission of returns of naturalization, and of certified copies of certificates.

The account should be made in duplicate, giving separate details for each of the undermentioned periods :—

1. Period covered by section IV of II Edward VII, Chapter 23.
2. For the year 1902.
3. For the six months ended the 30th June last.

I am at the same time to ask you to be good enough to write the names in future returns in alphabetical order and in as legible a way as possible. Your compliance with this request would greatly facilitate the work of the transcription of foreign names which are sometimes undecipherable.

It has also been observed that certain copies of certificates supplied to this Department do not fully comply with the requirements of the Act, in that they do not disclose the place of origin of the alien. Particular attention should be paid to that formality, and to this end I refer you to form C in the schedule attached to chapter 113 of the Revised Statutes of Canada.

To avoid confusion, it would also be desirable that the correspondence, and more particularly all the returns relative to naturalization, be signed by the Clerks of Courts granting naturalization and not by their deputies. Should no certificate of naturalization have been granted during the half yearly periods, a report to that effect has to be made to the Department. Blank forms for returns and forms of certificates of naturalization will be supplied upon application.

I have the honour to be,

Sir,

Your obedient servant,

Colin N. Campbell, Esq.,

Clerk of the Supreme Court,

Macleod, N.W.T.

  
Acting Under Secretary of State.
